Years, Launching Pilots Over Miami

Milly, Curaçao
 "Wayman prepared me for the
 Career I always dreamt of"

3 Steps to Success In 8-12 Months

Private Pilot is the 1st chapter in your story, a Pre-Requisite for the Professional Pilot Program. Learn the basics of flight, navigation, and communications.

Instrument Rating lets you fly at night and in bad weather. It makes you a more capable pilot. At the end of this stage you will be flying across Florida earning experience towards your ultimate goal.

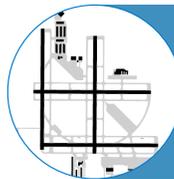

Commercial Pilot is when flying can begin paying for itself. Learn to fly complex aircraft with retractable gears and multiple engines.

- 18 Years of Age
